Antonio Mercader

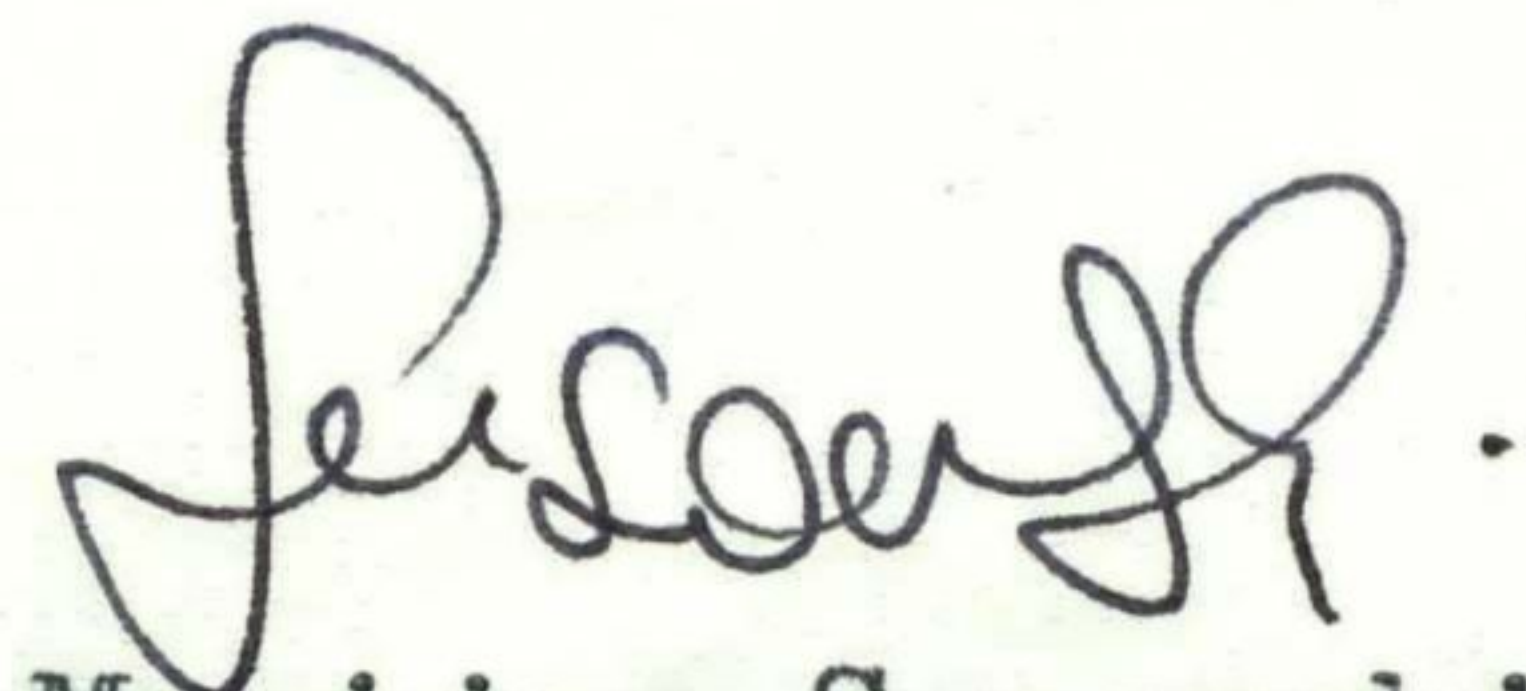

Dear Sir,

With reference to your letter to Braco Dimitrijević and to materials for the exhibition TENDENCIES 5 we write to inform you that we were not able to expose your works because we did not have all the information needed for the catalogue and they arrived too late. The exhibition was opened on 1st of June.

Thank you very much for sending us your works and we hope that we shall collaborate together in some future exhibition.

Yours faithfully,

Marijan Susovski
curator
